

March Miracles

March 2023

We did it!

We did it! Because of you, I was able to attend the school of campus ministry and graduate full of gratitude.

During my time at the school we learned everything from gospel centered ministry to how to analyze scripture, along with a toolbox of practical and strategic ways to reach the lost. I am so excited to take these new tools back to JMU.

But first, I want to thank you.

This wouldn't have been possible without you and is going to set me up so well to make a difference at JMU!

Outside of the exceptional classroom lectures, we put into practice what we learned on campus. God really showed up!

Natalie

After sharing her experience with faith growing up, Natalie said, "I always knew there had to be something more."

Sarah (a missionary from Texas) and I got to share the good news that this something more was a personal relationship with Jesus.

Let's celebrate! Natalie (pictured in the middle below) began a relationship with Jesus right there on the spot!

God's Not Dead

We had the opportunity to serve at a God's Not Dead event with Every Nation Co-Founder, Dr. Rice Broocks.

The “God’s Not Dead” event is a presentation that examines the evidence for the existence of God from science, philosophy and history.

Skeptics became believers.

There were over **thirty salvations** that night alone! God is alive!!

Stay Tuned!

The School of Campus Ministry was an incredible eight weeks that I will forever be impacted by.

I have so many more stories and testimonies to share with you so stay tuned!

I am now back in Harrisonburg and back at JMU, more ready than ever to change the campus!

Pictured below are our students worshipping on the quad during JMU Large Group, enjoying the weather!

Prayer Requests

+ Pray for our college students to know Christ in a deeper way, captivated by His love for them.

+ Pray for my transition back to Harrisonburg, that it would be full of excitement.

+ Pray for our students as they approach their final exams for this semester.

+ Pray for our team's unity and perseverance as we reach the next generation.

Thank you so much for making all of this possible through your prayers and generosity! Getting to serve God in this ministry is truly a dream come true.
